

Create an Activity Type

Version: 1.00 | Last Modified on 10/09/2025 1:40 pm AEST

Create an Activity Type for a schedule. The Activity Type determines the types of appointments that should be booked in that scheduled time. For example, a "Consultation" Activity Type could be created for a schedule that the practitioner only wants used for Short Consultation and Long Consultation Appointment Types.

Overview

A practitioner's **Schedule** in the Appointment Book is allocated an **Activity Type** with a colour, for example, blue for Consultation time and purple for Theatre time. This tells staff what **Appointment Types** they should book in the doctor's schedule. Appointment types have a colour that replaces the colour of the Activity Type in the **Appointment Book**.

Example: A practice has a green Activity Type - Theatre used for the Appointment Type > Surgery and a blue Activity Type - Consultation used for the Appointment Types: Long Consultation-30min, Std Consultation-15min and New Patient-30min. Reception wants to book a Std Consultation and sees 2 doctors with a blue schedule and 1 doctor with a green schedule, and make the appointment in a blue block of time.

Mon	Davis, Phillip	Fuller, Igor	Jackson, Gaye
8 AM	0 15 30 45	0 15 30 45	0
9 AM	0 15 30 45	0 15 30 45	0 30 45
10 AM	0 15 30 45	0 15 30 45	0 30 45

Activity Type (points to the blue block in the 8 AM slot for Fuller, Igor)

Appointment Type (points to the blue block in the 10 AM slot for Fuller, Igor)

To create an Activity Type:

1. Go to Zedmed's **Management** tab.
2. Select **Practice Setup** then **Appointments > Activity Types**.

The **Appointment Activity Types** screen will open.

3. Select **New**.

The **New Appointment Activity** screen will open.

4. In the **Description** field, enter a description for the activity type.
5. Select **Set Text Colour**.
6. Select a colour from the palette and **OK** to save it.
7. Select **Set Background Colour**.
8. Select a colour from the palette and **OK** to save it.

This colour will be applied to blocks of time scheduled using this activity type in the Appointment Book.

9. Select **Close** to save and exit.
10. Log out and back into Zedmed to start using the new Activity Type.
