

# Referral Doctors Statistics

Version: 1.00 | Last Modified on 19/05/2025 10:33 am AEST

The Referral Doctor Statistics Reports are useful for specialist practices because they help identify the referring practitioners that are sending the most patients.

You can also review the list of [financial reports](#).

To open the Referral Doctor Statistics Report:

1. Go to Zedmed's **Management** tab.
2. Select **Reports > Referral Doctor Statistics**.

The **Referral Doctor Statistics Reports** screen will open.

3. Select the report criteria, and if you want to show a **List of Patients by Referral Dr** or a **Monthly Breakdown**.

## List Patients by Referral Dr

Lists all patients sent to your practice by individual referring doctors for the set range of dates.

Common **Group By** options are:

- **Referral Doctor Group** - shows which group ( eg GPs or Optometrists) refers patients to you.
- **Postcode** - shows where your referrals are coming from.
