

## Create Tyro API password

Version: 1.00 | Last Modified on 26/08/2025 9:59 am AEST

This guide explains how to create a Tyro API password for a person or practice receiving payments via Tyro eCommerce. This password will be linked to the practitioner or practice MID and bank account in Zedmed.

This password is created in your eCommerce account. There are two steps: log into eCommerce and create an Operator account, then log in with the operator account and create the password. Both steps are explained in this guide.

## Step 1 - create an operator account

1. Login to Tyro's eCommerce portal with the credentials provided by Tryo for your eCommerce account.

URL: https://tyro.gateway.mastercard.com/ma

tyro	
Tyro eCommerce	
Merchant ID	
1100.0000	
Operator ID	
Administrator	
Password	
LORIN	
Forgot Password	

2. Select Admin > Operators.

tyro			
Home Search -	Admin - Transactio	n Filtering <del>-</del>	Logout
View Orders Created To	Operators Change Password Software Download	Processed Today	
Welcome superuser, your la	Device Payments	10:03.	
News			

3. Select Create a New Merchant Administrator Operator

ty	ro						
Home	Search +	Admin <del>•</del>	Transaction Filter	ring <del>+</del>			Logout
Admin Create Create a New Edit an	- Opera an Opera Merchant Adminis	itor Lis tor station Operation	t 				
Administrat	Operator : tor	ID	superuser	Operator Name	Description	Edit	

4. Fill in the **Operator Details**.

- Operator ID enter a logical name. E.g Integrations.
- Operator Name you can use the same name used for the Operator ID.
- Enter and confirm the password.

tyro			
Home Search + Admin + Transaction Filtering +			Logout
Admin - Operator Details			
Operator Details			
Merchant	TYRO_172691		
Operator ID	Integrations		
Operator Name	* Integrations		
Description			Password must include:
Password	•	Weak	At least one character from the following categories:     Numeric digit
Confirm Password	*[]		<ul> <li>Special character</li> </ul>
Email Address			۲
Locale	English (United States)		
TimeZone	Australia/Melbourne		

- 5. Further down the page, tick the following permissions:
  - View Report Pages
  - Download Order Search Results.
  - May Configure Integration Settings.
  - May Configure Integration Settings.
  - May Configure Email and Webhook Notifications.

General		
View Report Pages		
Download Order Search Results		
ownload Transaction and Payment Authentication Search Results		
Allow Merchant Administration Documentation Download	0	
May Perform Risk Assessment Review		
May Bypass Risk Management	0	
May Configure Transaction Filtering	D	
May Configure Integration Settings		
May Configure Reporting API Integration Settings		1
May Configure Email and Webhook Notifications		Ь
May Maintain Tokens	0	
May View Dashboard		

6. Select Submit.

You will now see the new account in the Operator list.

			Password 2	Enable Integration Access Via Password: Generate New	
Cancel				Submit	

- 6. Select Submit.
- 7. Take a copy of the password.

You will need to provide this password to Zedmed.

Zedmed will use this password to enable Tryo in your Zedmed installation.
