

Zedmed Mobile quickstart

Version: 1.00 | Last Modified on 20/04/2026 11:18 am AEST

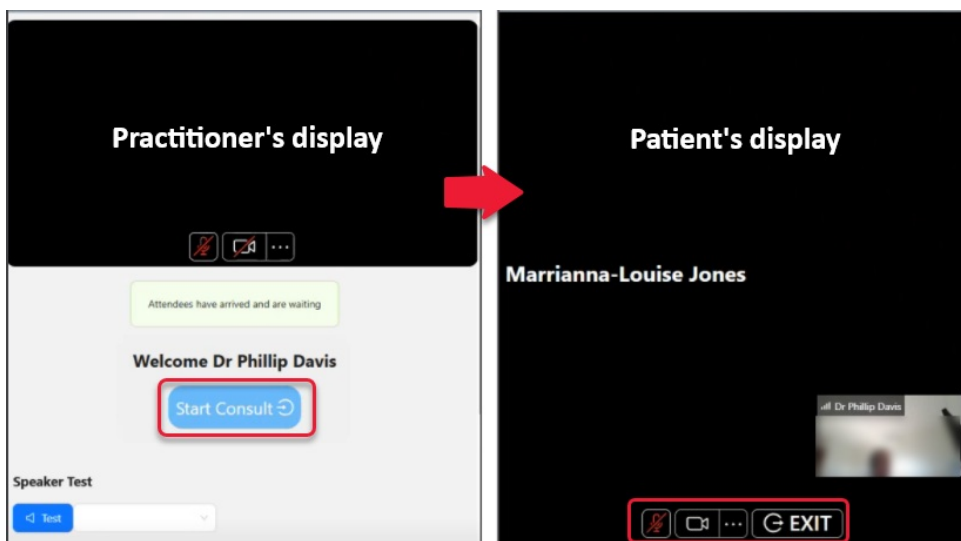

Zedmed Mobile is **set up for the practitioner** and runs in your browser to view waiting patients and initiate Telehealth sessions. Before starting, log in to **Zedmed** then log in to **Zedmed Mobile** via your web browser: <https://companion.tele-health.systems/>

1. A patient joins Telehealth and is auto-attended to the **Waiting Room** and shown in **Zedmed Mobile** as **green**.
2. When ready, **Admit** the patient from the **Waiting Room**, and they will appear in **Zedmed Mobile** as **orange**.

The screenshot shows the Zedmed Mobile interface for Dr. Phillip Davis (PDAVIS) on Tuesday, 17 June, at 01:37:38 PM. The top navigation bar includes 'Show Billed' (Hiding Billed Consults), 'Telehealth' (Filter), and 'Refresh'. Below this, a patient card for 'Jones, Marrianna-Louise' is shown in a yellow state, labeled 'Admitted' with a red box. The card also shows '01:00 PM Duration' and '15 mins' with an 'Open Telehealth' button. A legend on the right explains the colors: Yellow for 'Patient joined + Dr Admitted', Green for 'Patient joined Telehealth', and Grey for 'Patient has not joined'. Below the patient card is a 'Waiting Room' section for 'Tuesday, 17 Jun 2025' at '13:04 (-8) hours'. It features a table with columns for FILE #, Status, Patient Name, Appt Time, Attd Time, Admit Time, Doctor, Appt Type, Dept, and Attd Notes. The first row shows '17', 'Not Billed', 'Jones, Marrianna-Louise', '13:00', '12:51', 'Admit Time', 'Dr Phillip Davis', 'Telehealth', and an empty field. A red box highlights the 'Appt Type' column. At the bottom right, a red box highlights the 'Admit' button, with a red circle containing the number '1' next to it.

3. On Zedmed Mobile, select the **Open Telehealth** icon. This displays Telehealth on top of Zedmed Mobile.
4. Select **Start Consult**.

The image shows two side-by-side screens. The left screen is the 'Practitioner's display' with a black header and a white body. It displays 'Attendees have arrived and are waiting' in a green box, 'Welcome Dr Phillip Davis', and a blue 'Start Consult' button with a red box around it. At the bottom, there is a 'Speaker Test' section with a 'Test' button. The right screen is the 'Patient's display' with a black background. It displays the patient's name 'Marrianna-Louise Jones' and a video feed of 'Dr Phillip Davis'. At the bottom, there is a red box around the 'EXIT' button and other controls. A red arrow points from the 'Start Consult' button on the practitioner's screen to the patient's screen.
