

# Add a Zedcloud bookmark

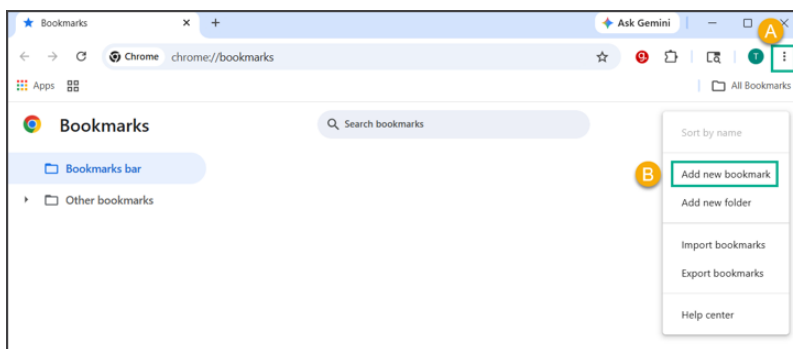

Version: 1 | Last Modified on 28/05/2026 2:55 pm AEST

Zedmed Cloud is opened in your web browser, and a bookmark or favourite should be created for easy access.

## Google Chrome

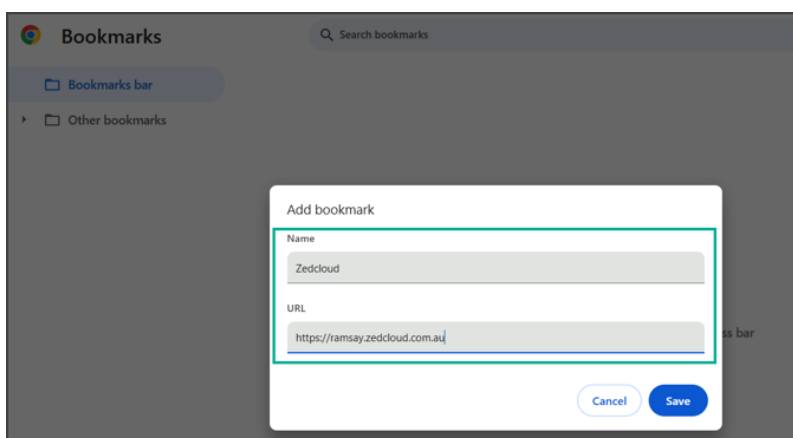

To add a shortcut to your Google Chrome web browser:

1. Open Chrome.
2. Copy/paste '**chrome://bookmarks**' into the browser.
3. The Bookmarks configuration screen will open.
  - a) Select the three dots.
  - b) Select **Add new bookmark**.

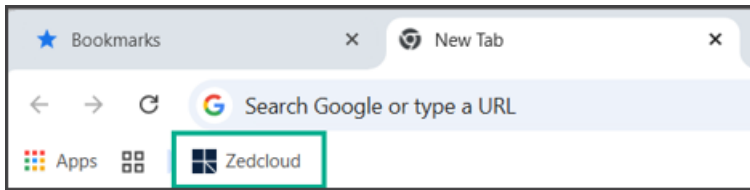

4. Enter details as shown below:

- Name: Zedcloud
- URL: <https://ramsay.zedcloud.com.au>

5. Select **Save**.
6. Return to Chrome and the favourite will be displayed.

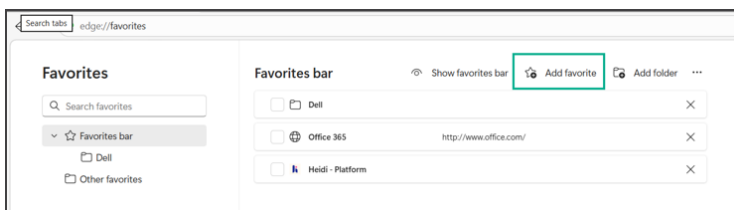

## Microsoft Edge

To add a shortcut to your Microsoft Edge web browser:

1. Open **Edge**.
2. Copy/paste '**Edge://favorites**' into the Browser.

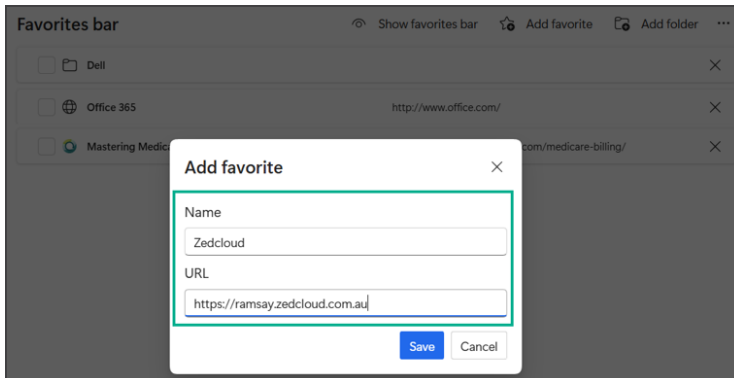

The Favourite Configuration screen displays.

3. Select **Add Favourite**.

4. Enter details as shown below:

- Name: Zedcloud
- URL: <https://ramsay.zedcloud.com.au>

5. Select **Save**.
6. Return to Edge, and the favourite will display.
